Dear Parents and Care-givers,

You may be aware that diagonally across from Mackillop Hall, on the corner of Randle and Grimwood Streets is a corner shop. We are finding that many of our students are going to the corner shop before and after school without any supervision. We are concerned that children are crossing such a busy road by themselves.

We have also found the children who are being dropped off to school in the morning by their parents or the bus, are attempting to leave the school grounds to go the shop, again unaccompanied by an adult.

As a teacher, we have a duty of care for all students in our school grounds. Our job is to ensure your children are safe at all times. Our school rules at Holy Trinity are:

I am safe

I am Respectful

I am a Learner

If you would like your child to purchase items from the corner shop, please support us by ensuring an adult or older sibling accompanies them to the shop. Please talk to your children about road safety and the school's duty of care.

Thank you for your support,
God bless,

Kathryn Salkeld, Assistant Principal

Religious Education

Dear Parents and Children,

Pope Francis has released a new Encyclical, called *Laudato Si'*: On the Care of Our Common Home. An Encyclical is a long letter written by the Pope to the Church and to the World.

One of the main messages is that we need to look after the world we live in to stop climate change.

So what can we do?

We can choose simpler and more sustainable ways to live our life.

For example, we can:

- **Reduce the amount of waste we produce, and make sure to reuse and recycle too**
- **Switch to renewable energy sources**
- **Take public transport, walk, run, cycle...**
- **Plant trees**
- **Turn off lights when not in use**

Do what you can with the means at your disposal and leave all the rest calmly to God.
Mary MacKillop 7.8.1888

"All of us can cooperate as instruments of God for the care of creation." (14)

Junior Joey's Group

The children who have joined the Junior Joey's group a few weeks ago have been thinking about things they can do to improve our school community. The first job this week was to begin to weed the gardens in the playground. On Tuesday we had lots of helpers from all grades and the Junior Joey's members were very enthusiastic in showing the younger students how to take out weeds from the gardens. It was lovely to see so many more children asking to join the group. New members will receive their certificates and badges at the next Monday morning assembly.

Religious Literacy Assessment

Over the last few weeks the children in Years 4 & 6 have completed the Religious Literacy Assessment. This Friday at the Father's Day Breakfast, the Year 4 children will display their projects in Mackillop Hall and the children would love for you all to see their work. These projects will also stay in the hall for parents to look at after the Stage Three assembly at 9.00am.
