E: holytrinitygranville@parra.catholic.edu.au

Dear Parents and Caregivers,

For the last 5 weeks, our teachers at HTG have been working hard to assess your children in Mathematics and English.

Teachers have been conducting Mathematics Assessment Interviews with every child in their class, so that they can understand students' learning needs – to identify strengths and challenges in the mathematical strands of counting, place value, addition and subtraction, and multiplication and division. This information will allow your child's teacher to target their teaching to meet the needs of each individual child in their class.

Teachers have also been listening to every student in their class read and have been analysing their writing. Again, this time has been spent to direct teaching and learning and to ensure that each child has their learning needs in English met.

As a staff, we are committed to providing education that is differentiated to cater for every child's learning needs. We are dedicated to knowing the strengths and challenges of all our students and to engage them in quality learning. As a school we are setting goals for our learning tasks and developing success criteria to achieve these goals.

“Learners learn best when they understand what they are learning and what is expected of them.”

You can support us by taking time each day to talk to your children about their learning at school. Ask them about what they are learning; get them to explain what they are doing and how they know when they reach their goals. We want our children to be reflective about their learning and understanding, and be the best learners they can be.

Please help us celebrate Catholic Schools Week next week by joining us on Monday morning for a Mathematics Parent Workshop – 2 sessions at 8.30am and 9.15am.

See attached for further information on walk through with the Principal. This will be a great way for all HTG parents and caregivers to see what kind of learning we are doing in our classrooms. We can't wait to see you there!

God Bless,

Ms. Kathryn Salkeld
Assistant Principal

Monday 2nd March 2015

Your children may have mentioned that the police were at school on Monday.

Stage 3 students reported an 11 year old boy, outside the fence, was harassing them at recess. In keeping our children safe I contacted the police who responded immediately.

I am very grateful that our relationship with the Local Area Command is strong. The young boy was taken to the safety of his home by the police.

Constable Elli El Jammal will visit our school again next Wednesday at 2.00pm to speak to all children about keeping themselves safe.

I commend our police for their quick action and support in keeping your children safe.

Helen Boyer, Principal

Important Notice re Catholic Schools Week

Please be advised that there will no walk through the learning spaces on **Tuesday 10th March** with the Principal at 9.15am, but there will be **one at 2.20pm on Tuesday instead**. The reason being that members of the Catholic Education Office and many principals from other schools will be walking through with the principal on Tuesday morning.

DELANY COLLEGE
Grimwood St, Granville 9637 7788
