Dear Parents and Care-givers,

Semester One reports will be sent home on Monday next week and you have been asked to book a session to attend a Parent - Teacher interview to discuss your child's progress so far this year.

Parent-teacher interviews are a great opportunity to communicate with your child's teacher and hear how your child is tracking academically and socially, relative to their classmates. They are also a great way to discuss any troubles or questions you may have regarding your child. It is important that you take the time to think about the things you would like to discuss with your child's teacher, to ensure you make the most of your allocated time.

Parent-teacher interviews give you a great opportunity to:

- learn more about your child's academic, emotional and social development
- get to know your child's teachers better
- help your child's teachers understand more about your child
- make plans with the teacher about how you can both support your child
- build a relationship with your child's school

It is important for your child to be present for the interview so that they are aware what their learning strengths and challenges are. During the interview, your child will be asked to set a learning goal for English and Mathematics for the rest of the year.

We thank you for your support and participation.  
God Bless,

Kathryn Salkeld  
Assistant Principal

## **School Fees**

Term 2 School fees are now overdue. Please make payment as soon as possible. If you are experiencing difficulty making this payment, please contact the office.

Year 2 – Maxine Garzon

Year 3 – Victoria Blandon

Year 4 – Isaiah Montecino

Year 5 – Elizabeth El-Khoury

Year 6 – Mark Bou Francis

## Be safe. Be responsible. Be respectful.

Connectivity has become an integral part of everyday life and learning. As students communicate, collaborate, create and learn with online and digital tools, the need to educate students about responsible online behaviours has become more important than ever.

Launched today, Cyberwise is a Catholic Education Diocese of Parramatta cybersafety campaign aimed at providing a range of resources, policies, teaching strategies and tips to support young people nationwide in becoming discerning and responsible users of technology and social media.

Designed in collaboration with students and teachers from western Sydney Catholic schools, the Cyberwise video and website are valuable resources for all students, parents and teachers to encourage cybersafety.

Make sure to watch the empowering video below produced and created by students from St Mark's Catholic College, Stanhope Gardens. It is hoped that the video can be shared widely across social media channels.
