**Staff Development Day - Friday 22nd June 2018**

**No School for Students**

Dear Parents and Friends,

Last night I had the pleasure of attending Confirmation of eight of our children. Firstly, I would like to thank all those who supported our children in preparing for this Sacrament and I also ask you to continue to pray for these students. Monsignor Macfarlane spoke to the children about gifts and powers. He said that each day we reactivate the gifts of the Holy Spirit, which give us the power to be members of God's family and to grow to our full potential.

We pray, "Dear Lord remind us to activate these gifts every day. Amen"

Our teachers are currently preparing reports on your child's progress in the first semester for 2018. This report gives some indication of how your child is going within their stage in each key learning area. The report is followed by an interview with the teacher. It is expected that each child have at least one parent attend these interviews. It is appropriate for your child to attend, but not siblings as they may distract you from giving your full attention to your child and the teacher.

Information regarding interview bookings will be sent home next week. If you have difficulty accessing these booking times please phone the office and our friendly team will be able to help you.

*Act Justly, Love Mercy And Walk Humbly With Your GOD.*

Micah 6:8

As I experience learning spaces and be with your children on the playground, I see this quote from Micah in action. Our children seek justice and fairness within these spaces. They want to learn about the right way to go about things, they stand up for their friends and care for each other. This term we have welcomed ten new students to our beautiful school and as I check in with each one of them they tell me that they love being at Holy Trinity and have made many new friends. Our children live out our motto daily here at HTG. I am always very proud of them and grateful to you for entrusting your children into our care.

I have enjoyed interviewing our new children and their families over the past weeks. It is one of my many favourite times of the year. These beautiful children are happy, friendly and full of curiosity I know we will love having them be part of our HTG community. If you know of any children ready to start school next year please enquire at the office as applications will close next week.

Let us all walk humbly with our god this week.

Love Serve Hope
