Dear Parents and Friends,

The staff at Holy Trinity are continually working to improve practises and procedures for the benefit of the community. In saying that we have regulations that we need to follow. Over the past couple of months the school has evaluated the processes and procedures in order to become compliant. Next Tuesday the Stage 1 teachers will be participating in a process called Peer Review. This is a process where the teachers present their programs to teachers from other schools and they are checked and evaluated. This is another step towards compliance.

Extra Curricular Activities at HTG

The last few weeks have been very busy at Holy Trinity, our students have been involved in a number of extra curricular activities which gave them other opportunities to further develop skills from public speaking to creative arts. Our students enjoyed participating at venues outside the school environment and gained a sense of accomplishment and satisfaction competing against other schools in our diocese.

We congratulate the following students for putting themselves forward. Another opportunity for our students will be provided tonight at Dance Fever. The support and commitment that the students have shown is outstanding and they should be congratulated.

Walk-A-Thon

A huge thank you to Mrs Bausse and Mrs Roughley for supporting the school by co-organising the Walk-A-thon which will be held on October 19. If any other parents would like to help please notify the school office so can put you in touch with Mrs Bausse and Mrs Roughley. In the meantime can all parents and carers support the walk-a-thon by getting as many sponsors as you can. All money raised will be used to buy resources that will support the students' learning.

NAPLAN

NAPLAN results went out this week. Congratulations to the students of Year 3 and Year 5 for the effort you put into your NAPLAN. NAPLAN is a snapshot of a students performance on one day. If any parent or carer is concerned about their child's results, please do not hesitate and make contact with the class teacher to discuss your concerns.

School Parking

Just a gentle warning that the parking inspectors have been present around Holy Trinity recently. I ask that all parents and carers consider the safety of the students.

Of an afternoon I strongly encourage all parents and children to use the pedestrian crossing. This will build up good practice and develop safety skills for the future.

2018 CEDP School Choice Survey

The CEDP has engaged the services of JWS Research to conduct a major research project which will include a 15 minute online survey of CEDP parents. The aim of this research project is to strengthen the CEDP's understanding of what is important to CEDP parents / carers when choosing a Catholic School for their child and will help improve communications to parents and carers during the enrolment period. The survey which is completely anonymous will be run in the week commencing 8th October 2018. I urge our parents / carers to have a voice and participate in this most important research project to help CEDP schools to better meet the needs of all parents and carers. A letter providing further details of the project will be sent home closer to the survey launch date.
