Dear Parents and Carers,

What a fantastic week of learning. We started off with our magical launch on Monday. It was marvellous to see the students connecting the clues about the performance on Tuesday. The "I wonder board" was greatly used by the students as they arrived on Monday morning. Some of the responses the children were;

"I wonder if the teachers will do a Harry Potter magic show!"

"I wonder if magic is impossible!"

"I wonder if a magician will perform in front of us!"

Well the children were definitely on the right track as the magic continued on Tuesday with an enchanting performance from the marvellous magician - Lindsay Gardner. The students were entertained and amazed. From this experience the children have been busily working on literacy activities. Some of these will be shared in coming newsletters.

On Wednesday it was fantastic to see so many parents come into the classrooms, to see different class activities. Parents and carers are vital in the education of the children and at Holy Trinity we try to build that partnership. The student leaders also attended the GRIP leadership day. This was a wonderful experience for the student leaders as they spent time with over 1000 school leaders from different schools developing their leadership skills.

On Friday Stage 3 attended the Riverside Theatre. to see the Sydney Symphony Orchestra perform "Who Needs a Conductor Anyway?" what another great opportunity for our students. A recount of the event and photos will be shared in next weeks newsletter.

## **Bullying. No Way!**

As mentioned above we launched our response to the "Bullying - No Way Day of Action", which will take place on March 16. I encourage all parents and carers to have a chat with your child/children about why bullying is not acceptable. At Holy Trinity one of our school rules is "I am safe". For all students to be safe the whole community needs to work together. Thank you for your support with this matter.

## **Growth Mindset**

Confusion is part of learning. To enter the zone of confusion takes courage. It is an uncomfortable feeling when you are confused. To support the children through this, it is vital to develop a growth mindset. Parents can support this by praising effort instead of achievement, modelling a growth mindset when you find things difficult and use the word YET. Instead of "I can't do this!" use "I can't do this yet!"

## **Delany Open Day**

Delany College is holding their Open Day today (March 9) after school. All families are welcome to attend to tour the school. There will be rides and a sausage sizzle 2.30 - 6pm and it is all free.

God bless,

Mr Jason Fisher, Assistant Principal

Attendance  
week ending  
2/3/2018

## **From the REC**

In John's Gospel it is recognised that those who choose to become disciples of Jesus will have eternal life. This can seem an insurmountable responsibility, but if we think carefully, it is something we can all attain. Jesus asks us to follow him by turning away from sin, offer love to those around us and forgive those who have caused us harm.

In his wisdom, Jesus knows that if we can do these things we will not just be good citizens, but we will live fulfilling lives. It doesn't matter if we offer love and forgiveness to others, or if we receive it, we feel nourished either way.

By following Jesus as Christian disciples we are ultimately led to God and fulfillment in this life and the next.

Mark Galea, Religious Education Coordinator

## School Fee Statements

**Statements have been sent home. If you have not received your statement , please contact Mrs Borg in the school office immediately.**

### ENROLMENTS

Our enrolments period is now open for Kindergarten 2019.

If you have a child who will turn 5 by 31<sup>st</sup> July 2019 they can enrol for school next year.

### Easter Raffle

Thank you to all those that have brought in eggs and baskets for our Easter Raffle to be drawn on **Wednesday 28th March.**

Please donate Easter eggs and / or baskets so that we can make up baskets and have lots of prizes available.

More tickets are available from the office.
