Notice required Before Moving Students from School

10 school weeks in writing must be given to the principal before removal of a student or a full term's fees will be payable.

This requirement is in recognition by the family of the commitment to assist funding of the School by having their child take a place that could have been offered to another family.

Dear Parents and Friends,

For many years now, psychologists have been saying that the bonding of a baby with its mother in the first few minutes of life is vital for the stability of the newborn child. The mother - infant bond is an intense relationship of unparalleled human affection. It is the foundation of the child's emotional and physical survival. No wonder we hear people say: 'Mothers hold their children's hands for a short time but their hearts forever.'

There are many ways to answer the question, "What is Motherhood?" and one of those ways might be that Motherhood means sharing in the creative power of God. Conceiving, carrying and giving birth to a human being, is as close as any person can get to the act of creation. This is the beginning of Motherhood but it is far from the end. Motherhood is also about nurturing, sacrificing, loving and, ultimately, letting go.

We wish all our mothers a very happy Mother's Day. We know you will be smothered with beautiful gifts and hugs from your children on Sunday and we hope you are nourished with the love that you all deserve.

A Mothers' Day Prayer

I thank you, Creator of us all, for my mother.

I thank you that she gave me life and nurtured me all those years. She gave me my faith, helping me to know you and to know Jesus and his ways.

She taught me how to love and how to sacrifice for others. She taught me that it was okay to cry and that I should always tell the truth.

Bless her with the graces she needs and which you want to give her today. Help her to feel precious in your eyes today and to know that I love her.

Give her strength and courage, compassion and peace. Bless her this day with your love.
