Dear Parents and Carers,

A huge welcome to all the students and their families who have returned this week. It is always such an exciting time of the year with the anticipation of the year ahead. As always there will be a huge focus on learning throughout 2019 and we look forward to work with all our parents and carers to improve the learning for all our students.

The teachers have been busy preparing for term over the past couple of weeks. The term overviews will be shared with parents and carers in the first couple of weeks. These overviews outline the program for learning for your child within that term. Please take some time to read through this with your child and be excited with them about the learning. Help your child to start asking questions and to be curious about what might be ahead of them or to be curious about what has been learnt each day.

## Religious Education News

This year the theme for our school will be, “**Do not be afraid.**” This is the verse most often repeated in the bible. As the bible is one of God’s ways of communicating with us, we have to ponder why He thought this message was so important to convey to us.

At Holy Trinity this year, we will try to respond to this message in three ways:

**Through Learning:** We encourage all of our students and teachers to take learning risks, to move out of their comfort zone and try new ideas or change the way we do things to become more efficient and effective.

**Through Our Relationships:** We strive to foster positive relationships with everyone we encounter. This may encourage us to be collaborative, listen to the thoughts and feelings of others and forgive each other’s failings.

**By Reaching Out to Others:** We have to look to the example of Jesus by reaching out to the poor, the marginalised and those on the edges of our society who need our love. How can we be the face of Jesus in 2019?

**Beginning of Year Mass:** Our first mass of the year will be co-celebrated with Delaney College on **Wednesday 13th February at 10:00am**. As always parents, friends and family members are more than welcome to join us. At the conclusion of mass we will have a commissioning ceremony for our new school leaders.

Yours in faith,

Mark Galea, Religious Education Coordinator
