Dear Parents and Carers,

At Holy Trinity we are always trying to improve the learning outcomes for all the students. One way that we are doing this in Numeracy is to allow students time to develop their own understanding of the problem once it is given to them. Once the children are given a task in Numeracy they are expected to work on the task by themselves for 5 - 10mins. During this time the children will do 'hard thinking' to get started. If a child still has not started after this time the teacher will then provide an enabling prompt to get them started. Parents can support their children by building resilience and allowing children to work things out for themselves (with support when needed). Parents can also model this process of hard thinking and show that sometimes we need to persist with things and not give up. Another way to support your child is to praise effort over achievement. This will send a message that working hard is important, especially when things are difficult.

So if your child comes home and says that they find things hard, reinforce that learning can get hard sometimes. If your child is coming home regularly and saying that they do not understand what they are doing in class, make an appointment to see the class teacher.

Delany College Learning Day

On Wednesday the Year Six students had an opportunity to attend the Delany Year Six Learning Day. The day was a great experience and gave a taste of high school life. The Year Six students got to do fun activities such as; Art, Woodwork and Hospitality. Overall it was a fun learning experience. (co written by Joy Pay and Gabra)

Catholic Schools' Week

Next week is Catholic Schools' Week. It is a time where we celebrate Catholic Schools. This year on Wednesday March 6, we will be holding 'Open Classrooms' at 9:10 am to 10:10 am; followed by a Picnic morning tea with your children and then the opportunity to join Delany and Holy Trinity school communities in the church for an Ash Wednesday Liturgy at 11:00 am. Stage 3 will be hosting the first Assembly Next Friday afternoon. All Parents and friends are invited to celebrate Catholic Schools' Week.

God bless

Jason Fisher, Assistant Principal

96%
Attendance week
ending 22/2/2019

School Fee Statements

Statements are being sent home today. Families should received them early next week.
