Notice required Before Moving Students from School

10 school weeks in writing must be given to the principal before removal of a student or a full term's fees will be payable.

This requirement is in recognition by the family of the commitment to assist funding of the School by having their child take a place that could have been offered to another family.

Dear Parents and Friends,

The last day of winter will be on Saturday 31st August. The days are getting longer. In fact the day still contains 24 hours but there seems to be more daylight and the extra light seems to give people more energy.

There must be a message in the relationship between the light and the energy. How do we capture extra times of light in which to motivate and energise our children?

At school and at home, children can seem to lose their energy when they feel they do not understand. It is necessary for parents and teachers to look for ways in which to respond to the children and keep them motivated.

With spring on the way, let's harness our renewed energy and work with each other in the light of our shared purpose (an excellent education set firmly in Catholic Gospel Values) and shared hopes (happiness and pleasing results) for our children.

Happy Father's Day to all our dear dads. Let us pray that they will know happiness as they continue to reveal the love of God our Father in the hopes and hearts of their children.

*"God, bless all the fathers in the world.
Guide them to be good role models and loving to all their children.
Give them grace and patience to handle situations in a loving way.
Amen"*

Warm regards,

Love Serve Hope
