Notice required Before Moving Students from School

10 school weeks in writing must be given to the principal before removal of a student or a full term's fees will be payable.

This requirement is in recognition by the family of the commitment to assist funding of the School by having their child take a place that could have been offered to another family.

Dear Parents and Friends,

As a parent you work hard to protect your children. You warn them about stranger danger but keeping them safe online is a little more challenging. Each time your computer is connected to the Internet, danger could come flooding into your home.

The Internet is now an integral part of life so simply banning it is inappropriate. Instead, you can take some steps to minimize the dangers for your children.

- 1. Keep the computer that is connected to the Internet in shared family spaces rather than bedrooms so that you can monitor its use and also be available if your children want to talk about anything they view that makes them feel uncomfortable.**
- 2. Set some guidelines for use such as:**
 - **Never give out personal information or your photo**
 - **Do not open email attachments from strangers or people they have met online**
 - **Never meet in person someone they have met online**
- 3. While supervision is the best defence against Internet danger, it is not possible to monitor children 24/7. The use of Internet software allows you to set controls over the information that your child sends or views. Some software even allows you to set time limits on how long your child can 'surf' the Net.**

Check that your Internet Service Provider (ISP) is family-friendly and adheres to the Internet Industry Association codes of conduct. These ISPs can offer information and online tools to assist both parents and children to use the Internet in fun, yet safe ways.

A Reminder for our school community, complaints and grievances

If, at any time, you find that you have a concern with the school, you are encouraged to come to the school and speak with the teacher/s, assistant principal and/or principal, to identify your concern.

It is our aim to work with all members of our school community to ensure that we do the very best to provide a productive, safe and enjoyable learning experience for our students and professionally fulfilling experience of our staff.

If you would like to raise a concern, the Catholic Education Office has guidelines for ensuring that complaints are handled fairly.
